

Plan for the Road Ahead

Does driving make you uncomfortable or make you feel unsafe?

Have you had a recent medication change or diagnosis that may affect your driving? If so, talk to your medical provider.

ChORUS offers tools and resources to help you plan how to stay safe on the road.

Whether planning for a road trip or running a quick errand, make sure you are safe on the road.

- 
- ✓ Keep up to date with car maintenance.
 - ✓ Plan your travel route.
 - ✓ Consider options besides driving like public transit, walking, or a taxi.
