

State Driver License Agencies

- Driver licensing staff can play an important role by making sure older drivers know how to recognize when they may need to change their driving habits and anticipate how to be safe on the road. Learn more from @RoadSafeSeniors. >> <https://bit.ly/3AdUf70>
- State driver licensing staff are in a unique position to encourage #TrafficSafety, year-round. When family members express concern for an older driver, refer them to resources to help them plan for safe next steps. @RoadSafeSeniors. >> <https://bit.ly/3mdnTTz>
- #OccupationalTherapist can help older drivers be safe on the road. Encourage customers at the state driver licensing agency to use driver evaluations to help promote #TrafficSafety @RoadSafeSeniors can help you start the conversation. >> <https://bit.ly/3oEMYuK>
- State driver licensing staff are part of the first line of safety for older drivers. Take time to learn about interventions that can empower older drivers and their families to promote #TrafficSafety. Learn more at @RoadSafeSeniors. >> <https://bit.ly/3vqXmlw>
- Help keep older drivers safe and engaged in the community—with or without a car. As a state driver licensing employee, you can provide information on transportation besides driving to keep them safely engaged in the community. >> <https://bit.ly/3fK7vYj>
